

PLEASE READ FIRST!

When on Route 1, be sure to take the exit for I-95 South (Philadelphia) NOT I-295 South (Bordentown).

There is a Whitehead Road exit off of Route 1 - DO NOT USE IT.

There is a Route 206 exit off of I-195 - DO NOT USE IT.

General:

From Route 1 take I-95 South (Philadelphia), follow to Route 206 South (Trenton). Go past Rider University, at second light take right onto Eggert Crossing Road. Take to the end, make left at light onto Ewingville Road. Proceed approximately ½ mile, take left (after Kings Pizza) into Ewing Business Park (Whitehead Road Extension). We are the second to last building on the left (sign out front says REES Scientific, our sign is on the side of the building), our entrance is on the left side of the building.

From Philadelphia Airport:

Take the I-95 North to exit 4 (Route 31 South). Bear right onto Route 31 South, at the first traffic light (7-11 on left side) make a left onto Ewingville Road. Go through three traffic lights. Approximately ½ mile after the third traffic, make left (after Kings Pizza) into the Ewing Business Park (Whitehead Road Extension). We are the second to last building on the left (sign out front says REES Scientific, our sign is on the side of the building), our entrance is on the side of the building.

From Newark Airport:

(DO NOT USE ROUTE 206 OFF I-195)

Take the New Jersey Turnpike South to exit 7A (Trenton), I-195 West to exit 60B (I-295 - Princeton), follow to Route 206 South (Trenton) exit 7A. (Warning, do NOT take 206 off I-195). Go past Rider University, at second light take right onto Eggert Crossing Road. Take to the end, make left at light onto Ewingville Road. Proceed approximately ½ mile, take left (after Kings Pizza) into Ewing Business Park (Whitehead Road Extension). We are the second to last building on the left (sign out front says REES Scientific, our sign is on the side of the building), our entrance is on the left side of the building.
